

Joni Mitchell, Man From Mars

Since I lost you
I can't get through the day
Without at least one big boo-hoo
The pain won't go away
What am I gonna do?
Man from Mars
This time you went too far

I fall apart
Everytime I think of you
Swallowed by the dark
There is no center to my life now
No grace in my heart
Man from Mars
This time you went too far

I call and call
The silence is so full of sounds
You're in them all
I hear you in the water
And the wiring in the walls
Man from Mars
This time you went too far
