## Joni Mitchell, You Dream Flat Tires

It came to pass
Like lightening striking from above
Electric flash
Just like lightening striking from above
Struck by precious love
Precious, precious love
So hopeless and so inspired
Why do you dream flat tires
When you dream flat tires?
You dream flat tires

With a jack and a spare you're there Trying to get to where love is Coming in on a wing and a prayer Trying to get to where love is 'Cause love is precious love You said it was precious When first you felt my fire Before you dreamed flat tires You dream flat tires

"Woman she bounce back easy But a man could break both his legs" Are you telling me that to tease me? Or just to hear me beg "Please don't go!"

Cause I know that you love me
But, when are you going to let love be
Just a vague flirtation
Or extra special company?
'Cause love is precious love
Everybody knows it's precious
When first they feel that fire
Before they dream flat tires
They dream flat tires
They dream flat tires

"Woman she bounce back easy But a man could break both his legs" Do you tell me that to tease me Or just to hear me beg "Please don't be cold"

I know that you love me But, what are you going to let love do? (Flat tires, love, love is precious, flat tires, love, love is precious, flat tires, love, love is precious)
