

# Jonny Lang, Back For A Taste Of Your Love

Here I come, I'm comin' for a taste of your love  
here I come, baby, because I like what you do for me  
little by little, bit by bit, I'm falling in love all over again

Here I come, I'm comin' for a taste of your love  
here I come now, baby, just like I did before  
well I'm comin' back Because this time I'm sure  
it takes two to make it and I know you can take it again

Here I come, I'm back for a taste of your love  
here I come, here I come back for ya' now  
what you've been, just come down on me  
you've got the lock pretty baby, but I've got the key  
little by little, bit by bit, I'm fallin' all over again

Here I come, I'm fallin' for a taste of your love  
here I come now baby, back for a taste of your love  
here I come, for a taste of your love
