

# Jonny Lang, I Am

If being in love means waiting around  
So that you can dance with me  
I am, I am  
If being in love means follow the leader  
Then this will have to be  
I am, I am, I am, I am  
Baby I am  
So in love with you  
I am, I am  
Gonna get you baby  
If it's the last thing I do  
I used to think that a pretty face  
Meant more than what was inside  
I did, I did  
But if being a good man  
means swallowing all my pride  
I will, yes I will

Repeat chorus:  
I am the one who loves you  
I am the one who cares  
You could fly me to the moon  
If I would find you there  
All the riches in this world mean nothing  
Without you here  
Whoever, whatever, however, whenever,  
You need me I'm always here  
Men killing their brothers  
Nobody wants to go down alone  
In this age of uncertainty  
Love's worth more than gold  
I'd sleep outside your window  
If that would make you see  
That I'm the only one for you  
And you're the only one for me
