

# Jonny Lang, Nice & Warm

Solo

Can't wait to get back home  
Where the sun is always  
Nice and warm

Can't wait to get back home  
Where the sun is always  
Nice and warm

You know it's freezin' out here  
And that howlin' wind sends a nasty chill through my bones

Oh you know i  
Shivered myself to sleep last night  
The cold won't let me be  
That's when I woke up and realized that  
This ain't no place for me  
And I can't

Can't wait to get back home  
Where the sun is always nice and warm

You know it's freezin' out here  
And that howlin' wind sends a nasty chill through my bones

Solo

Some good old friends got together  
And they took me away  
From this cold old alley babe  
To a warm place I could stay  
Oh I can't  
Can't wait to get back home  
Where the sun is always nice and warm

I'm so happy to see you all  
And that old nasty chill is gone
