

Jonny Lang, Too Tired

Well I laid down last night
too tired to wake
I had a chill this mornin' too
tired to shake
I got a good poker hand
too tired to win
I can hear my baby callin'
too tired to let her in

Well I'm tired
Yes I'm tired babe
Too tired now
Too tired for anything

Too tired to walk
too tired to run
I can hear my baby knockin'
too tired
too tired
too tired babe
Yes I'm tired
too tired now
too tired for anything
Break it down now

Solo

Too tired of prosperity
too tired o' luck
I'm sittin' on a pin
I'm too tired to get up
Well I'm tired
Yes I'm tired babe
too tired now
too tired for anything
I'm tired babe
