

Jonny Lang, Touch

When I was only just a friend to you
All I wanted to do was get to know you better
Now I wanna give my heart to you
Tell me do you feel like I do when we were together

'Cause I come alive with your touch
Your touch, it always sets me free
I can't get quite enough
Too much of you is what I need
Yes I know, you're the one
'Cause love has come alive in me

Tell me am I out of line
Tell me if I'm wasting time
I don't mind
Giving my love to you
I can't help it baby
If I asked you would you say I do

'Cause I come alive with your touch
Your touch, it always sets me free
No, I can't get enough
Too much of you is what I need
Now I know, you're the one
'Cause love has come alive in me

Instrumental

Tell me why do I always have to tell you how I feel
Can't you see you're the one, the only thing
That ever meant something to me
And I need your touch
To come alive

(I come alive, I come alive, I come alive)
Nothing else is like the way you make me come alive
