

# Jónsi, Where No One Goes (Jak wytresować smoka 2)

Let the wind carry us  
Through the clouds, hurry up, all right  
We can travel so far  
As our eyes can see

We go where no one goes  
We slow for no one  
Can not follow us

Awake in the sky  
We break up so high, all right  
Let's make it around, let's savour it

We go where no one goes  
We slow for no one  
Can not follow us

We slow for no one  
We go where no one goes  
We slow for no one  
We go where no one goes

We go where no one goes
