

Jools Holland, In The Dark

In the dark, its just you and I
Not a sound, there's not one sigh
Just the beat of my poor heart
Oh in the dark

Now in the dark, in the dark
I get such a thrill
When he presses his fingertips
Upon my lips,
And he begs me to please keep still,
In the dark

Oh but soon
His dance will be endin'
And youre gonna be missed, yes you will
Gee, I'm not pretending
Cause I swear it's so
Fun to be kissed

In the dark
Now we will find
What the rest have left behind
Just let them dance
We're gonna find romance
In the dark
