

# Jordan Francis, Start The Party

Yeah

First off hit the groove,  
let the music play  
Next stop everybody,  
it's time to celebrate  
Bady go so lets go show,  
make the dreams you got become real  
Let's do this,  
let me hear you,  
now show me how you feel

Start, start, start the party  
Come on, come on everyone  
Let's start, start, start the party  
What you waiting for now?  
Start, start, start the party  
Come on, come on, live it up  
Let's start, start, start the party  
I know you never gonna wanna stop

Stand up and do the dance,  
the way you do  
I-I- can see all the crowd on the  
dance floor when it's through  
Baby go so lets go show,  
like you never ever did before  
Let's do this,  
let me hear you say more,  
more,  
more

Start, start, start the party  
Come on, come on everyone  
Let's start, start, start the party

Let the music take us  
Everytime, just close our eyes  
Feel the grove, wanna shake us  
Everywhere, and everybody,  
turn it up and start the party

We got it rolling, never slowing down  
Lights, camera, action, start the party now  
I know your ready there's no need to wait  
Now's the time for us to celebrate

Start, start the party (Let's do it)  
Start, start the party (Everybody now)  
Start, start the party (Let's get to it)  
Start, start the party
