Jordan Pruitt, Ever Ever After

Storybook endings Fairytales coming true Deep down inside We wanna believe They still do

And a socret is

And a secret is taught

It's our favorite part

Of the story Let's just admit

We all wanna make it to

Ever ever after

If we just don't get it

Our own way

Ever ever after

It may only be

A wish away

Start a new fashion

Wear your heart

On your sleeve

Sometimes you reach

What's real

Just by making believe

On the fate

On a shame

There is joy

To be claimed

In this world

You might even wind up

Being glad to be you

Ever ever after

Though the world

Will tell you

It's not smart

Ever ever after

The world can be yours

If you let your heart

Believe in ever after

No wonder your heart

Feels its flying

Your head feels

It's spinning

Each happy ending's

A brand new beginning

Let yourself be enchanted

You just might break

The rule to

Ever ever after

Forever could even

Start today

Ever ever after

Maybe it's just

One wish away

Your ever ever after

Ever ever ever after

Oh. oh. oh

Forever ever after
