

Jordan Pruitt, I Was In Love For A Day

It was magical, beautiful
I didn't know how it all began
One day, 24 hours
It didn't turn out how I planned

Cause I did what expected
For the way, the way I do
From a single day
And both of us we knew we could not stay
And yes I admit I would like to
But at least we have the night

I was in love for a day
Love in a way
Love, can't explain
Why you went you away
(Love) it's a shame
(Love) that you didn't stay
(In love) with me

Unforgettable, incredible
I didn't know how to handle it (da da da)
I was unprepared
Maybe a little scared
Of something I may never get (oh yeah)

I was never one to believe
Love at first sight could get to me
And maybe if these feelings stay the same
I'll be with you again (one day)
But baby the way

I was in love for a day
Love in a way
Love, can't explain
Why you went you away
(Love) it's a shame
(Love) that you didn't stay
(In love) with me

And maybe some day we'll be reconnected
It's so powerful I can't believe it's over yet
The way you play the game in my mind
Makes it hard to forget you

(you, you)
I know you have your life
But someday maybe we'll re-collide
But baby I know (I know)

I was in love for a day
Love in a way
Love, can't explain (love)
Why you went you away
(Love) it's a shame
(Love) that you didn't stay (you didn't stay)
(In love) with me

If you hear me
If you hear me holla!
If you hear me
If you hear me holla!

Love in a way

Love, can't explain (love)
Why you went you away
(Love) it's a shame
(Love) that you didn't stay (you didn't stay)
(In love) with me

With me [5x]
