

# Jordan Pruitt, Jump To The Rhythm

Oh, Doodoo-Doodoo-DooDoo-Doodoo-Doodoo-Yeah  
Oh Jump in,  
Oh oh oh, yeah yeah yeah

I used to think that winning was  
For everyone else yeah  
But then you showed me a picture of  
me being myself Yeah  
You make me feel so special inside  
Like there was nothing that I couldn't try  
I'll always feel like a winner it's true  
oooh With you  
You make me wanna

Jump to the rhythm  
And step to the music  
All in together lets show  
How we do it  
Step to the rhythm and  
dance to the music  
All in together we shine

Yeah, Wooh  
Life isn't all so simple though  
Tough choices to make yeah  
Trying to keep everyone happy can  
Be a mistake yeah

The time has come to be true to yourself  
Stop chasing dreams made for somebody else  
Deep inside there's a winner it's true  
oooh in you  
You make me wanna

Jump to the rhythm  
And step to the music  
All in together lets show  
How we do it  
Step to the rhythm and  
dance to the music  
All in together we shine

Jump to the rhythm  
And step to the music  
All in together lets show  
How we do it  
Step to the rhythm  
and dance to the music  
All in together we shine

Jump in, hey  
Jump out  
Hey a little bit, a little bit, a little bit, a little bit oh  
Turn it around  
Yeah now bring it up high  
Yeah can you touch the ground  
He's got it, She's got it  
Everybody's got it!

The time has come to be true to yourself  
Stop chasing dreams made for somebody else  
Deep inside there's a winner it's true  
oooh in you  
You make me wanna

Jump to the rhythm  
And step to the music  
All in together lets show  
How we do it  
Step to the rhythm and  
dance to the music  
all in together we shine

Jump to the rhythm  
and step to the music  
all in together lets show  
how we do it  
Step to the rhythm  
And dance to the music  
All in together we shine
