

# Jordan Pruitt, My Reality

uh yay...

yayayaya

haha

I'm not trying to pretend  
I'm not for 1 to givin in

To do anything does to be your friend  
Whatever you expect from me  
Think of about it carefully  
Before this relationship begins

Should I kiss?  
Should I tell?  
Should I act like someone else?

Is it safe to be myself?

(Chorus)  
All these things constantly knocking at my window  
In a crowd of choices  
Its obvious to me  
The moral of this story is

That I make my own reality

I'm not trying to be cool  
Or telling you what to do  
Ya gotta just find out yourself

I only know whats right for me

The promises that I want to keep  
But everyday it's something else

Should I drink?  
Should I smoke?  
Should I lie so i can go  
To the party down the road

(Chorus)x2  
All these things constantly knocking at my window  
In a crowd of choices  
Its obvious to me  
That moral of this story is

That I make my own reality

Nobody else can live my life  
It's my decision  
Nobody else can tell me

If I fit in  
If I belong  
If I look good enough  
If this list goes on (and on and on)  
And on

(Chorus)x2  
All these things constantly knocking at my window  
In a crowd of choices

Its obvious to me  
That moral of this story is  
That I make my own reality
