

Jordan Pruitt, My Shoes

Ooh... yeah...

I see you standing by your locker all day
I wanna say hey
But boy I'm too shy to break the ice
I know you know a lot of my friends
I heard this from them
You're not only fine, you're so nice
And I can see that
Because of you I've got it so bad
I wonder if you know you're the one for
But I need help with my approach for

CHORUS

If only you could step in my shoes
You'll know how I feel
You'll know that I'm good for you
If only you could step in my shoes
Baby you'll see what I mean
And let me just make a move
If only you could step in my shoes
Baby yeah, baby yeah
Step in my shoes
Baby yeah

Sometimes I think you're looking over at me
Like I'm what you need
But maybe it's all in my mind
I wish that I could give you a call
Confessing it all
And one of these days I just might
Get your number
But for now I'll have to wonder

(Chorus)

What would it be like
If you were walking right by
If I fessed up and said "what's up";
Would I get a reply
If you knew what I knew
I bet that you would smile
You'd see it through my eyes
If only you could step in my shoes... yeah
Step step in my shoes
Baby I'm so into you
Step step in my shoes

(Chorus)
