

# Jordan Pruitt, Santa Don't Stop

Someone's been a really bad boy this Christmas  
Someone's been acting more naughty than nice  
So Santa don't stop to bring him toys  
Someone's been a really bad, really bad boy  
He broke my heart in September  
And left me here alone  
So I won't worry come December  
When he's left out standing in the snow

[Chorus]

Someone's been a really bad boy this Christmas  
Someone's been acting more naughty than nice  
So Santa don't stop to bring him toys  
Someone's been a really bad, really bad boy  
Oh, I don't know why he wouldn't listen  
I wish he never let me go  
And he doesn't know what he'll be missing  
Standing underneath the mistletoe  
This Christmas  
So Santa don't stop  
Cuz I'm really annoyed  
Someone's been a really bad boy  
But if he were here right now I might just kiss him  
Or even take him back  
What he deserves is a pack of a dozen switches  
And no Santa to come down the chimney stack
