

Jordan Pruitt, When I Pretend

Thoughts of you keep running through my head
Images I just want to forget
I.. look in the mirror and put on a happy face
But nobody sees it
And I don't believe it

I.. bought into every word you said
I never thought it's something I'd regret
I look at you now and wonder who I see
I'm lost in a frenzy
And it's neverending

The way we used to talk all night
I still get butterflies
When I go there again
Oh I see the way you used to smile
If only for a while
But only if I pretend

If I could draw the world I want to see
I know just how I picture it to be
I stand here alone and know that it all was real
You say you don't need it
I know you don't mean it
And I don't believe it

The way we used to talk all night
I still get butterflies
When I go there again
I see the way you used to smile
If only for a while
But only if I pretend

Oh I'm where I want to be
Don't you wake me from this dream
Oh oh oh oh oh yeah yeah
When I go there again
Oh I see the way you used to smile
If only for a while

The way we used to talk all night
I still get butterflies
When I go there again
Oh I see the way you used to smile
If only for a while
But only if I pretend
Only if I pretend
Oh Oh
