

Jordan Pruitt, Who Likes Who

Jordan: I hate when they do that. When you know they hate each other... (me too...) When you know

Jordan: Hi Brittany

Brittany: Hey Jord!

Jordan: Oh my gosh...

Jordan: Hey Caitlin, I have to tell you something

Caitlin: What?

Jordan: I heard Conner was at the movies with Brittany

Caitlin: No way... who'd you hear that from?

Jordan: I heard it from Brian who heard it from Kip

who heard it from Sarah who got it from Brittany

Caitlin: Wait so Brittany told Sarah who told Kip

who told Brian who told you?

Jordan: Yeah... there's the bell, I'll talk to you later

I'm ready

Jenny called me up and said she likes Johnny

But yesterday Johnny said "Yo, I like Bonnie" (Uh)

Bonnie likes Jonathan who's still missing me (Jonathan?)

Even though we all know he likes Tiffany

Vicky called me on a three way with Cici

And she told me Anthony likes Rissi

Allie's got another thing for Jeffery (Again? ha ha)

Which really bugs me cause she knew that he left me

Oh-oh-oh-oh-oh

(CHORUS)

Who likes who

Every day it's someone new

The halls are filled with voices whispering

Who likes who

Doesn't matter if the rumor's true

All the fun is in the mystery... to me

Oh-oh-oh-oh-oh

I saw Conner at the movies with Brittany

When he shoulda been there with Whitney

So tonight I'm gonna hit up Steven

And let him know, Brittany's cheatin'

I was on Myspace when Keegan dropped in

And he told me everybody's still talkin'

Stacy and Evan are together

This gossip goes on forever (Phew! You're tellin' me!)

Oh-oh-oh-oh-oh

(CHORUS)

Who likes who

Every day it's someone new

The halls are filled with voices whispering

Who likes who

Doesn't matter if the rumor's true

All the fun is in the mystery

He likes you and she likes him

You can call it a game that everybody wins

Moochi likes Chachi
Sarah likes Wit
And Kip likes Lafawnduh
And Jimmy likes... Skip?
Who? Skip?

Oh yeah
Oh oh oh oh oh oh

(CHORUS)

Who likes who (Ooh)
Doesn't matter if the rumor's true (Only true)
All the fun is in the mystery (Yeah yeah)
Who likes who
Every day it's someone new (It's someone new)
The halls are filled with voices whispering (Whispering ooh)
Who likes who
Doesn't matter if the rumor's true (If the rumor's true)
All the fun is in the mystery (Is in the mystery)

He-he-he-he-hey
