

Jordin Sparks, It Ain't You

Do you swear he balls?
Still living with his mom,
Stay fresh though
Anyone wondered why you?
Why do you?

This one is for all my ladies
All these fellas in the songs talking crazy
Boy you know I'm loyal
You can bet, I look better than I do in it
Take a step back 'cause I'm too fresh
Need a pack of gum do the breath
You're not an OG you're an OMG
You could say hubby don't touch me
Already know who I wanna talk to
Got my eye on him when I walk through
We came here to party
I ain't tryina see you're fucking cocky

I'm a little too smart for you babe
Make love pretty, but I've got a brain
Need a pose, here's some twix
Hope that keeps you busy, boy I really overrate

Do you swear he balls?
Still living with his mom,
Stay fresh though
Anyone wondered why ain't you?
Why ain't you?

Ain't enough a couple shots
My type you are not,
So many girls have been here, why me?!
You already don't flop, wipe pretty
Got curl like my curls,
Couldn't be with me, now you try my girl
Please!
Did your mama helped you to get dressed?
Boy say what you're wann'
Say VIP is where I gotta be
'Cause I can't get people above of me
Acting like you tryina find
But you've been sipping a one drink the whole night
Stepping up like a jerk,
Who in the world told you that shit would work?
I am the fliest boss girl in this club
Me and my ladies run this thing, you heard!

Do you swear he balls?
Still living with his mom,
Stay fresh though
Anyone wondered why ain't you?
Why ain't you?

Wondered why it ain't you?
You didn't even know what to do
why why why why why why
Straight fair, I'm a win you're an ...

Do you swear he balls?
Still living with his mom,

Anyone wondered why ain't you?
Why ain't you?
