

# Jordin Sparks, Overcome

I thought that hiding all my feelings  
Was protecting my heart  
So I never built anything  
High enough to fall apart  
And what I was looking for  
Didn't know where to start  
I can't believe this is happening  
The day I met you  
I said welcome to the rest of my life  
Cause you  
And all the emptiness died  
I was afraid to give love another try  
Oh I can't believe this is happening  
[Chorus:]  
I know that this might get me in trouble  
But it's time I let my fences down  
Cause I am no longer afraid of a struggle  
Oh I'll overcome  
I'll overcome  
Guess I'm addicted to happiness  
I just can't get enough  
So I decided to give a try and  
Surrender my trust  
I've got no choice left  
But to believe in us  
And finally this is happening  
[Chorus]  
I finally let myself go  
I let all my guards down  
Baby I'm yours now  
You're in control  
I took the chains off my soul  
And now I'm in love  
[Chorus]  
I don't care anymore  
I'll overcome  
I've overcome
