

Jordy, It's Tough To Be A Baby

It's tough to be a baby
Oh, baby, it's tough to be a baby
Oh, baby, it's tough to be a baby
Tough to be a baby...

My name's Jordy, I'm four years old
I'm really small
It's tough to be a baby, tough to be a baby
Come here, don't touch that, sit still, don't go there
Do this, fo that, blah, blah, blah...
Why this, why that, why is that like this ?
Why this, why that, why is that like this ?

Oh, baby, it's tough to be a baby
Oh, baby, it's tough to be a baby
Tough to be a baby...

And Mommy says, go to bed, brush your teeth
Don't pick your nose, don't do this, don't do that
Blah, blah, blah...
Why this, why that, why is that like this ?
Why this, why that, why is that like this ?
Don't move - no way !
Don't touch that - no way !
Don't go there - no way !
You won't get your dessert
And Grandma, Grandpa and Mommy
It's tough to be a baby

Oh, baby, it's tough to be a baby
Tough to be a baby...
