

# Jordyn Taylor, Strong

Bet you thought that i'd be broken  
Mascara streaking down my cheek  
Devastated, out the door way.  
In a daze, a state of disbelief  
I bet you'd like that seeing me get mad  
but baby i wont satisfy your needs  
cuz i've already been there, done that  
I'll be fine even if you leave  
Ohh i dont need you anymore  
Ohh and dont you know that..  
You were the one that made me strong,  
you made me stand up on my own  
with every cruel intention you helped me find my  
independence  
yeah its all because of you  
that i have the strength i do  
to turn my pain to passion instead of crashing  
Boy im thanking you, Boy im thankin you  
Thinking back on how you changed me  
everytime you tried to put me down  
and even though it really hurt me  
underneath, myself is what i found  
so take a look inside these eyes now  
and say the things you want to say to me  
cuz i've already spread my wings out  
and your the one. the one who set me free  
Ohh i dont need you anyone  
Ohh and dont you know that..  
You were the one that made me strong,  
you made me stand up on my own  
with every cruel intention you helped me find my  
independence  
yeah its all because of you  
that i have the strength i do  
to turn my pain to passion instead of crashing  
Boy im thanking you,  
For all the tears i cried  
for all the sacrafice  
for all the drama  
cuz in the end it made me stronger  
so trust me ill be fine  
baby ill survive  
and i want you to know  
that you  
were the one that broke my heart  
but i wont fall apart  
no.. im so moving on  
and babyyy  
You were the one that made me strong,  
you made me stand up on my own  
with every cruel intention you helped me find my  
independence  
yeah its all because of you  
that i have the strength i do  
to turn my pain to passion instead of crashing  
Boy im thanking you, Boy im thankin you
