

# Jordyn Taylor, What If

La la la la la la  
La la la la  
La la la la ooh...  
I don't know you  
I just met you boy  
But somethin's got me  
And I don't know why  
I don't know you  
I just met you girl  
But somethin's got me  
Can you tell me why  
Cause' I don't know why  
From the moment I first saw you  
I've been stuck in time  
And it seems so right  
No I don't know why  
But the feelings that I'm feeling  
They're so beautiful  
Incredible  
It makes me wanna say  
What if  
It was meant to be  
What if  
It was destiny  
This trip  
Baby you and me  
We might never get another chance  
So let's skip  
All the history  
And just click  
To the you and me  
And then-maybe we'll see  
If this what if could be  
Yeah yeah  
If this what if could be  
Na na na na na  
It's not my style  
To get so excited  
But I like it  
And I don't know why  
I'm fallin so fast  
Girl I've got it bad  
No, I can't help it  
Can you tell me why  
Cause' I don't know why  
From the moment I first saw you  
You've been on my mind  
Baby stuck inside  
No I don't know why  
But baby everything's so perfect  
Yeah...  
It's beautiful  
Incredible  
It makes me wanna say  
What if  
It was meant to be  
What if  
It was destiny  
This trip  
Baby you and me  
We might never get another chance  
So let's skip  
All the history  
And just click

To the you and me  
And then maybe we'll see  
If this what if could be  
Could be for real  
We won't know  
Unless we take the wheel  
Roll the dice and see just how it feels  
Feels to be in love  
What if this is love  
It makes me wanna say  
What if  
It was meant to be  
What if  
It was destiny  
This trip  
Baby you and me  
We might never get another chance  
So let's skip  
All the history  
And just click  
To the you and me  
And then maybe we'll see  
If this what if could be  
La la la la la la  
La la la la  
La la la la ooh...  
Yeah yeah
