

# Jorja Smith, Be Honest (feat. Burna Boy)

I know you want me  
every day, not only when you're lonely  
you see you think  
you know me  
but you don't even know nothing about me

you see my thick thing  
lost when you look into my brown eyes  
see my little waist can make you switch sides  
you never know the devil in a disguise  
so why you don't stand up baby  
tell me /3x  
do you want me on top?  
so let me show you  
show you /2  
I don't need to back it up  
don't wanna hold ya  
mold ya  
scold ya  
split you in hold with my hart  
I just wanna love on you  
trust you  
honor you  
please do the same on your part

be honest  
you want this  
but I can be heartless  
regardless of my conscience  
be honest  
you want this  
but I can be heartless  
regardless of my conscience

take my time  
you no say I wrong whatever I see bad vibes  
before you come my way  
make sure you think twice  
look into my eyes but I can never see us  
I can point a gun  
but you know i could never lie  
come through  
I can show you something you can run to  
when I finish, you'll be feeling brand new  
wanna be somebody you can run through  
I am lookin for that, I'm alive  
one time  
no cap big vibes  
slow back  
catch feels, get high  
if you make your bed  
then you can lie  
just please don;t waste my time

be honest  
you want this  
but I can be heartless  
regardless of my conscience  
be honest  
you want this  
but I can be heartless  
regardless of my conscience
