## Jorja Smith, Stay Another Day

Don't you know we've come too far now Just to go and try to throw it all away Thought I heard you say you love me That your love was gonna be here to stay I've only just begun to know you All I can say is won't you stay just one more day? Baby if you've got to go away Don't think I could take the pain Won't you stay another day? (Stay now) Oh don't leave me alone like this Don't you say it's the final kiss (Stay now) Won't you stay another day? (Stay now) I touch your face while you are sleeping And hold your hand, don't understand what's going on Good times we had return to haunt me Though it's for you, all that I do seems to be wrong Baby if you've got to go away Don't think I could take the pain Won't you stay another day? (Stay now) Oh don't leave me alone like this Don't you say it's the final kiss (Stay now) Won't you stay another day? (Stay now) Baby if you've got to go away Don't think I could take the pain Won't you stay another day? (Stay now) Oh don't leave me alone like this Don't you say it's the final kiss (Stay now) Won't you stay another day? (Stay now) Won't you stay another day?
