

Jorja Smith x Popcaan, Come Over

Tell me what i did this time
Why i sit i work so hard for you
I wish i could read your mind
I don't know if you want me to come over

I don't know if you want me to come over
I don't wanna ask really i should know better
I don't know if you want me to come over

This is something that i am used to
i give too much
but i choose to
and you love that
you love that
i don;t know what you have been through but
i've worked too hard not to lose you
and you know that

Tell me what i did this time
Why i sit i work so hard for you
I wish i could read your mind
I don't know if you want me to come over

I don't know if you want me to come over
I don't wanna ask really i should know better
I don't know if you want me to come over
