

# Jos, In Our Nature

It's in our nature.  
It's in our nature.  
It's in our nature.  
It's in our nature.  
Put down your sword.  
Send home your dogs.  
Open up your doors.  
Let down your guard.  
It's in our nature.  
It's in our nature.  
It's in our nature.  
It's in our nature.  
Put down your gun.  
Ignore the alarm.  
Open up your heart.  
Let down your guard.  
It's in our nature.  
It's in our nature.  
It's in our nature.  
It's in our nature.  
It's in our nature
