

José González, Visions

Vivions

Trying to make sens of the now
Trying to make sens of the past
To show u show

Vsions

Imagining the worlds that could be
Shaping a mosaic of fates
For all sentient beings

Vsions

Cycles a growth and Decay
Cascading chains of events
Whit no one to praise or blame

Visions

Avoidable suffering and pain
We are patiently inching our way
Toward unreachable utopias

Visions

Esslaved by the forces of nature
Elevated by middless replicators
Challengesd to steer outr collective destiny
