

# Joseph Arthur, Don't Be Afraid

Don't be afraid  
Tonight  
Don't be afraid  
Inside  
Your mind

You're on your own  
Tonight  
You're on your own  
Inside  
Your mind

How do I know if you're for real?  
How do I know if you're for real?  
How do I know if you're for real?

Don't be afraid  
Tonight  
Don't be afraid  
Inside  
Your mind

You're on your own  
Tonight  
You're on your own  
Inside  
Your mind

How do I know if you're for real?  
How do I know if you're for real?  
How do I know if you're for real?

How do I know if you're for real?  
How do I know if you're for real?  
How do I know if you're for real?
