

Joseph Arthur, Echo Park

Walkin' with you down through Echo Park
The ghosts fillin' the trees
The fire never understands the spark
The way it is with you and me

Freedom
Freedom
Our love won't fade away
Freedom
Freedom
Our love it won't fade away

The children runnin' through the greenest field
The light of love pourin' down
And only you and I know how it feels
When no one else is around

Freedom
Freedom
Our love won't fade away
Freedom
Freedom
Our love it won't fade away

Freedom
Freedom
Our love won't fade away
Freedom
Freedom
Our love it won't fade away

Walkin' with you down from Echo Park
The ghosts fillin' the trees
The fire never understands the spark
The way it is with you and me
