

# Joseph Arthur, Favourite Girl

In your version of this world  
Your everybody's favourite girl  
But that don't mean I'll be the victim  
Of any pain you are inflecting today

I don't know what I should do  
I've been so happy  
Being so unhappy with you  
But I just had a revelation  
My heart's been dying of starvation  
I need somebody who will feed me

And if salvation only comes when you fall  
Oh lord  
It's so hard for me to believe  
Oh lord  
I'm still waiting for you to call  
Oh lord  
Trapped inside my memory  
Oh lord

Pretending to be  
Someone you know nothing about  
Oh, i wish you were  
Someone i knew nothing about

You're looking for any explanation  
Your words they only find a meaning in between  
What's real and what will only ever be  
You dream
