

# Joseph Arthur, Hands Birn Dirty

Help to bury  
Feelings I can't stand  
Take me to wherever  
Take me by the hand

Maybe I need it  
Maybe I'm a slave  
Hands are born dirty  
Oh I dig my own grave

I can wait another minute more  
Can't you see I've lost myself control?

Sun will blind me  
Make it in the light  
Throw me from my window  
Hold me in the sky

Maybe I need it  
Maybe I'm a slave  
Hands are born dirty  
Oh I dig my own grave

I can wait another minute more  
Can't you see I've lost myself control?  
I can wait another minute more  
Can't you see I've lost myself control?

I can wait another minute more  
Can't you see I've lost myself control?  
I can wait another minute more  
Can't you see I've lost myself control?
