

Joseph Arthur, In The Sun

I picture you in the sun wondering what went wrong
And falling down on your knees asking for sympathy
And being caught in between all you wish for and all you seen
And trying to find anything you can feel that you can believe in
May God's love be with you

Always

May God's love be with you

I know i would apologize if i could see your eyes

'Cause when you showed me myself i became someone else

But i was caught in between all you wish for and all you need

I picture you fast asleep

A nightmare comes

You can't keep awake

May God's love be with you

Always

May God's love be with you

'Cause if i find

If i find my own way

How much will i find

If i find

If i find my own way

How much will i find

You

I don't know anymore

What it's for

I'm not even sure

If there is anyone who is in the sun

Will you help me to understand

'Cause i been caught in between all I wish for and all I need

Maybe you're not even sure what it's for

Any more than me

May God's love be with you

Always

May God's love be with you
