Joseph Arthur, Jumping In With You

Help me after the travelling Come back through Help me after the travelling Glad i missed you

Down by the lake In your heart I'm making it too Down by the lake In your heart Jumping in with you

Help me after my money's spent Come back through Help me after the traveling Come down next to you Lie down next to you

Down by the lake In your heart I'm making it too Down by the lake In your heart Jumping in with you

I'm still in love with you
