

# Josh Golden, Let Me Go

What happened to the girl I used to know  
She was perfect-  
No she was just a show  
Why couldnt anyone let me know  
You cant just take it back  
When you act like that  
Its just so hard for me to move on

[[Chorus:]]

How can you stand there  
And act like youre so sorry  
When you know no apology can fix this  
My heart is breaking  
Oh god, I feel so empty  
Let it go, I am fading away  
The hardest part is  
I still love you through this sorrow  
Baby, just let me go  
Well I wonder where youre at right now  
Probably with another right now  
Telling him how you love his eyes  
Girl, I remember when you loved my eyes  
Just in for the race  
And you run and you chase  
Now you won and your done with me  
Making it so hard for me to move on  
Oh yeah

[[Chorus:]]

How can you stand there and act like youre so sorry  
When you know no apology can fix this  
My heart is breaking  
Oh god I feel so empty  
Let it go  
I am fading away  
The hardest part is  
I still love you through this sorrow  
Baby, just let me go

[[Bridge:]]

Oh cause I cant stop falling for you  
My heart is breaking and I just want to talk to you  
Please stop holding me  
Cause I cant take it if we cant be  
And oh

How can you stand there  
And act like youre so sorry  
When you know no apology can fix this  
My heart is breaking  
Oh god I feel so empty  
Let it go

I am fading away  
The hardest part is  
I still love you through this sorrow  
Baby, just let me go  
Just let me go  
Just let me go  
Just let me go  
Just let me go
