

# Josh Gracin, Found

Like a beat up boat that never made it to the shore,  
Like an old love letter hidden in the bottom drawer,  
Like a shiny penny heads up on the ground,  
I've been found.

Like a message in a bottle in the sand,  
Like the Ace of hearts that shows up in your hand,  
Like an old lost love second time around,  
Found.

(chorus)

I've been found,  
Hungry like the desert waiting on a drop of rain,  
Found.

Lost for so long though I never thought that I'd be saved,  
Somehow finally discovered that this is where I wanna stay,  
Baby now,  
I've been found.

When I'm here with you underneath the sheets,  
It's a perfect world so whole and so complete.  
You're the simple truth that makes me who I am,  
A better man.

(chorus)

I've been found.
