

Josh Gracin, Let Me Fall

I watched you wave goodbye
As you rolled down our drive,
Without one single tear in your eyes.
I tried to be strong,
Forced a smile, said girl go on,
I'll be fine don't you worry 'bout me.
But inside I was holdin' on,
Prayin' that you might see I'm all you'll ever need.

(Chorus)
How do I hurt?
And how do I cry,
When so many times you let me down?
Where do I turn?
And where do I hide,
With all this emptiness inside?
There's no use in lovin' you at all,
So let me fall.

I try to make it through the day,
I'm throwin' all your things away, yeah,
The ones that remind me of you.
But soon there'll be nothin' left,
But the bed where you laid your head,
The one that I wake up in, without you.

(Chorus)
How do I hurt?
And how do I cry,
When so many times you let me down?
Where do I turn?
And where do I hide,
With all this emptiness inside?
There's no use in lovin' you at all,
There's no use in lovin' you at all,
So let me fall.
Let me fall.
