

# Josh Kelley, A Call Away

I'm just a call away  
Somebody tell me that you're okay  
If I could rest in your arms today  
Then I would feel like I'm home

You're just so far away  
I wish there was something I could say  
If I could rest in your arms today  
Then I would feel like I'm home

I'm taking your alibi  
To the spot where we used to hide  
If you could tell me the wrong from right  
Maybe it's time to come home

It is that time of night  
To make sure that you are alright  
If I could rest in your arms tonight  
I would feel like I'm home

I'm taking your alibi  
To the spot where we used to hide  
If you could tell me the wrong from right  
Maybe it's time to come home

You're so great that I could rest assure  
That you're truly mine  
It's so nice to finally find some one  
That is truly kind

I'm taking your alibi  
To the space where we used to hide  
If you could tell me the wrong from right  
Maybe it's time to go home

If you could see me now  
You would know what I'm all about  
And you could rest in my arms tonight  
And you would feel like you're home

I'm taking your alibi  
To the place where we used to hide  
If you could tell me the wrong from right  
Maybe it's time to go home
