

# Josh Kelley, Amazing

You paint a picture on the wall  
Cause you got a lot to tell me  
but you dont think you can say it better, oh baby  
You're bringin up times I can't recall  
and I'm sure they make your point but  
I just can't seem to remember, yeah

I know you got the feeling and I can't say I'm agreeing  
with your topic of conversation  
So just listen to the reasons and the hints I've been giving  
to the thoughts of my imagination

So come on let me sing  
I said baby, you're amazing  
I want to let you see  
You are everything and more to me  
I will let you be, I will I will

Cuz I saw you walking down the hall  
and I had a lot to tell you but I didn't think you could say it better, oh baby  
You're good at making me feel so small  
and I know you made your point but I just don't want to remember, yeah

I know you got the feeling and I cant say I'm agreeing  
with your topic of conversation  
So just listen to the reasons and the hints I've been giving  
to the thoughts of my imagination

So come on let me sing  
I said baby, you're amazing  
I want to let you see  
You are everything and more to me  
I will let you be, I will I will

Cause I'm dancing around in your world of play  
I'm taking my time to make sure you stay  
I would give my life to make it okay, yeah

So come on let me sing  
(Music)  
I said baby, you're amazing  
I want to let you see  
You are everything and more to me  
I will let you be  
I will, I will  
I said baby, youre amazing  
I want to let you see  
You are everything and more to me  
I will let you be  
I will, I will...cause I will, I will
