

Josh Kelley, Didn't Hear That From Me

Everyone waits for a knock on the door
Waiting for someone, who knows what it's for
Cause we spend a lot of money
Feeling bad and looking fine
I'll try to sum it up in a few simple lines

Oh darling, life is what you pray for
But love is what you stay for
And I know it's pretty damn funny how simple it can be
But you didn't hear that from me

Everyone says that it's covered in pain
Waiting for someone who will take on the blame
Oh it takes a lot of courage
To know you're not alone
The sooner you stand up, the sooner you'll know

Oh baby, life is what you pray for
But love is what you stay for
And I know it's pretty damn funny how simple it can be
But you didn't hear that from me

When I hear you crying at night
Like the world is on your shoulders
I'll hold you tight
Cause I know a secret or two
And the least I can do is share it with you

Share it with you
Share it baby

Oh, life is what you pray for
Love is what you stay for
And I know it's pretty damn funny how simple it can be
But you didn't hear that from me

Life is what you pray for
You didn't hear that from me

Love is what you stay for
You didn't hear that from me

Life is what you pray for
You didn't hear that from me
