

Josh Kelley, To make you feel my love

When the rain is blowing in your face
And the whole world is on your case
I could offer you a warm embrace
To make you feel my love
When the evening shadows and the stars appear
And there's no one there to dry your tears
I could hold you for a million years
To make you feel my love
Oh, I know you haven't made your mind up yet
But I will never do you wrong
I knew right from the moment that we met
No doubt in my mind we'd belong
I'd go hungry, I'd go black and blue
I'd go crawling down the avenue
No, there's nothing that I wouldn't do
To make you feel my love
hmmm.....
Oh, the storms raging on the rolling sea
And on the highway of regret
The winds of change are blowing wild and free
You ain't seen nothing like me yet
I could make you happy
Make your dreams come true
No, there's nothing that I wouldn't do
I'll go to the ends of the earth for you
To make you feel my love [4x]
