

Josh Kelley, Walk Fast

Walk fast.

You better walk fast if you're gonna walk over me.

Cuz I won't be a part of your plan if you're gonna make a dog outta me.

Talk fast, you better talk fast.

Hope you got something good to say.

All ears pretty momma, gonna hear but you gotta play it fair today.

Cuz I don't wanna believe that it's over.

It's over.

Cuz if you want me to love you, you better open up the door.

And if you wanted to love me, you wouldn't leave me wantin' more.

Cuz all I wanted was to love you.

I wanted to love you.

But don't you see me wanting more?

Think twice, you better think twice if you're gonna make a fool outta me.

Back down, you better back down.

Don't give me no third degree.

Cuz I don't wanna believe that it's over.

It's really over. Ohhhh.

Cuz if you want me to love you, you better open up the door.

And if you wanted to love me, you wouldn't leave me wantin' more.

Cuz all I wanted was to love you.

I wanted to love you.

But don't you see me wanting more?

I never thought it would be easy.

If this is it then please release me

Before I let it get too late.

Got to find a better way.

Before I let it get too late.

Little pretty.

My pretty thing.

Cuz if you want me to love you, you better open up the door.

And if you wanted to love me, you wouldn't leave me wantin' more.

Cuz all I wanted was to love you.

I wanted to love you.

But don't you see me wanting more?

Baby don't cha don't cha see me wanting more?

Baby don't cha don't cha see me wanting more.

Gotta find a better way before I let it get too late.

Gotta find a better way before I let it get too late

I want a better better better better way.

You're my better better better better way.

I'm gonna getcha back my way.
