

# Josh Kumra, Waiting For You

May never be who you want me to be  
May never see you again  
Please don't turn away from me now  
'Cause I wanna look into your eyes one last time  
Paint a picture in my heart (home?)  
I don't wanna go tonight

Don't be looking at the past  
(I won't be there)  
Don't get lost in photographs  
( cause I won't be there)  
When you wake up from your dreams  
I won't be there

Where you don't know where to go  
(I'll be right here)  
When you need me on the phone  
(I'll be right here)  
When you need someone to love you  
I'll be right here  
Waiting for you

I want you to smile when you think of me  
Wanna know that you care  
I just wanna hold you  
Sometime, somewhere

Don't be looking at the past  
(I won't be there)  
Don't get lost in photographs  
( cause I won't be there)  
When you wake up from your dreams  
I won't be there

Where you don't know where to go  
(I'll be right here)  
When you need me on the phone  
(I'll be right here)  
When you need someone to love you  
I'll be right here  
Waiting for you

I'm not looking in the past  
I'm not lost in photographs  
And when you wake up from your dreams  
I wanna be there

Don't be looking in the past  
(I'll be right here)  
Don't get lost in photographs  
(I'll be right here)  
When you wake up from your dreams  
(I'll be right here)  
Waiting for you
