

# Josh Rouse, Reminiscent

With a gray existance  
It doesn't feel like saturday  
Unfinished business  
We used to talk  
Lately it's been  
Reminiscent of me  
Reminiscent of me

Even open hands  
My questions dear  
Touch my hand  
It's ok  
Cause it's all I have  
This persistance  
And it keeps the sad  
Days away  
Reminiscent of me  
Reminiscent of me

You make it easy  
To stay at home  
Don't you know  
It's so easy  
To stay at home  
Don't you know
