

Josh Rouse, Reminiscent

With a gray existance
It doesn't feel like saturday
Unfinished business
We used to talk
Lately it's been
Reminiscent of me
Reminiscent of me

Even open hands
My questions dear
Touch my hand
It's ok
Cause it's all I have
This persistance
And it keeps the sad
Days away
Reminiscent of me
Reminiscent of me

You make it easy
To stay at home
Don't you know
It's so easy
To stay at home
Don't you know
