

Josh Rouse, Soul'd Out

When I think about the years, I tried so hard
How I wanted everyone to know who I was
Would sit around and laugh, I was so young
I'm much wiser than that now

Look how far I've come
All those things I done
Those days are gone

You soul'd out
You threw it all away
You soul'd out
Yeah that was yesterday
I soul'd out
Yeah I threw it all away
I soul'd out

On December 28th I will retire
And I want for everyone to know who I was
I would sit around and laugh, I was so young
I'm much wiser than that now

Look how far I've come
All those things I done
Those days are gone

You soul'd out
You threw it all away
I soul'd out
Yeah that was yesterday
I soul'd out
Yeah I threw it all away
Soul'd out
