

Josh Rouse, The Whole Night Through

Tonight the moon shows an extra light that shines for only us to see and all it takes for you to smile
Chorus:

Because when you start to doubt, somehow it all works out the line becomes the truth what we need

Your cousin had called from somewhere across the ocean bad news a death it seems I'll be a friend,

Chorus:

Because when you start to doubt, somehow it all works out the line becomes the truth what we need
