

Josh Rouse, Where Are We Going

(words by Edward Gordon / Larry Mizell)

Day in, day out
Sidewalk sleeper turnabout
Day by day
Work gets done
Day by day
Another war goes on

Tell me where are we going
What, what's the future showing?
Oh, where are we headed?
With all this going on, where are we getting?

Day in, day out
Little boy and girl go without
Day by day
Our babies' babies are born
Day by day
You'll sail along

Tell me where are we going
What, what's the future showing?
Oh, where are we headed?
With all this going on, where are we getting?

All we need
All we need
All we need

Day in, day out
It gets harder
Yes, people shout
Day by day
The flames get higher
Lies and hate
Oh, they fuel the fire

Tell me where are we going
What, what's the future showing?
Oh, where are we headed?
With all this going on, where are we getting?

Day by day
Where are we going?
Day by day
Where are we going?
Day by day
Where are we going?
Day by day
Where are we going?
