Josh Rouse, Where Are We Going

(words by Edward Gordon / Larry Mizell)

Day in, day out Sidewalk sleeper turnabout Day by day Work gets done Day by day Another war goes on

Tell me where are we going What, what's the future showing? Oh, where are we headed? With all this going on, where are we getting?

Day in, day out Little boy and girl go without Day by day Our babies' babies are born Day by day You'll sail along

Tell me where are we going What, what's the future showing? Oh, where are we headed? With all this going on, where are we getting?

All we need All we need All we need

Day in, day out It gets harder Yes, people shout Day by day The flames get higher Lies and hate Oh, they fuel the fire

Tell me where are we going What, what's the future showing? Oh, where are we headed? With all this going on, where are we getting?

Day by day
Where are we going?
Day by day
Where are we going?
Day by day
Where are we going?
Day by day
Where are we going?
