

Josh Rouse, Why Won't You Tell Me What

Why won't you tell me what
Why won't you tell me what
What's going on
With you

Why won't you tell me what
Why won't you tell me what
What's going on
With you

Sparkling eyes
You're trying to hide
I've seen those tears before I don't think I like them

Give me a sign
Some kinda sign
To bring me back around to your way of thinking

Why won't you tell me what
Why won't you tell me what
What's going on
With you

Why won't you tell me what
Why won't you tell me what
What's going on
With you

Wasting my time
My precious time
Whatever it is I wish you'd up and say it

Give me a sign
Some kinda sign
To bring me back around to your way of thinking

Why won't you tell me what
Why won't you tell me what
What's going on
With you

Why won't you tell me what
Why won't you tell me what
What's going on
What's going on
With you
